Elective Modules

The elective modules are organized to allow the P6 pupils to experience activities outside of their usual ones. This year's elective modules are held on the 23rd to 25th October.

A variety of activities have been sourced out for our boys this year and it will run over a period of 3 days where the boys will learn new skill sets as well as to have an opportunity to mingle with boys from the other classes across the level. Qualified coaches, instructors or facilitators will be on hand to coach or guide the boys in each of the modules. Each pupil will be able to select only 1 module to attend over the 3 days. Cost of the elective module is \$12.00.

As each module can only take about 35 to 40 pupils, the form teachers would be creative in seeking the boys' consensus as to which module each pupil would be signing up for in due course. I seek your understanding in the event that your child's first choice is not met.

List of modules:

- 1) Drama
- 2) Cricket
- 3) Handball
- 4) Fusion Basketball
- 5) Photography
- 6) From Recycling to Upcycling

Hope that the boys will have an enriching time during the modulars!

Regards,

For the P6 level
